

ACTIVE FARMER • COMEDIAN • KEYNOTE SPEAKER • TELEVISION HOST • AGRICULTURAL ADVOCATE

Jerry Carroll found humor growing up on his family's farm in Willow Spring, NC. From the time he could walk, he joined his father and uncle to farm tobacco, corn, small grain, soybeans, cattle, and hogs. Spending 14 hours a day in a tractor cab gave Jerry plenty of time to think about his life's dream of making people laugh.

His seemingly effortless ability to spin out punch line after punch line, story after story, took him from comedy club emcee to headliner in just eight short months. Since beginning in 1993, Jerry has performed for crowds from 20 to 20,000 in venues ranging from the local volunteer fire department's banquet, to the Minister's of Provincial Parliament at the Royal York in Toronto, Canada. Everywhere he goes, he leaves audiences roaring with laughter.

Jerry has performed from coast to coast in the U.S. and throughout Canada. He's even hosted two TV shows on the Sportsman Channel — *Fishing for Laughs* and *Amazing America*.

DIRT IN MY DNA

Relatable stories of farming and farm life tailored for agricultural events. You'll enjoy tales of feeding hogs, raising crops, and keeping the farm equipment together with duct tape, baling wire, and WD-40. Performances can also include a message of motivation, inspiration, farm safety, or agricultural advocacy.

LIFE DOWN A DIRT ROAD
