"The Funny Awards part of the performance went over with bang. The employees talked about it all afternoon. Many, many comments and thanks were given to the HR Department for providing such a great program."

– Teresa J Bell, VP of Human Resources, ACS Benefit Services

"Larry Weaver provided an excellent funny awards program for our Teacher Appreciation Banquet. He brought the house down. He was so funny, and the way he worked the audience was just out of this world. I asked for clean and funny and he gave me both. He was AWESOME!"

– Annette Sessoms, Johnson Primary School

"Larry was spot on with his show. He asked about our company beforehand and incorporated funny stories about our employees into his show. It was great to have those jokes written just for us. We especially enjoyed the funny employee awards. Larry is a true professional!"

– Gabi Jacob, Corporate Network Services holiday party
