

Laugh with **Lyndy Phillips**

Backed by over 20 years of experience, Lyndy knows how to get your group laughing and inspired with humorous stories, comedy sleight-of-hand and audience involvement.

Humorous Stories

From parasailing behind a '69 Ford pickup (yes, you read that right) to raising kids, Lyndy tells some of the funniest stories that are both true and well...just plain funny. Listen and laugh at how Lyndy was snake-bit by a chair, uoted the wrong verse when trying to impress the girls, and many, many more.

Comedy Sleight of Hand/Illusions

Combining amazing sleight of hand and illusions with comedy antics, Lyndy will have you laughing-out-loud as he does the impossible with everyday objects: ropes, money, ties, eggs, paper, lipstick(?), and cards. Watch out as Lyndy borrows money, rings, and other items from the audience and even steals a few watches, wallets, and neckties.

Audience Involvement

Being a one-man show, Lyndy depends on members of the audience to assist him with his sleight of hand and illusions. Be ready to laugh as you see your boss cut off someone's tie, volunteer's money disappearing, cards appearing under seated volunteer, people dancing, and much, much more.

After all the laughing and fun, Lyndy can deliver a motivational or inspirational message. He guarantees clean entertainment and an enjoyable program with lasting positive side effects!

But don't take our word for it...
